

Keysight Extended Warranty After Upgrade

Select the “Extended Warranty After Upgrade” option on your upgrade quote and receive:

- **Extended Warranty Period** – Full 90 day standard upgrade warranty plus an additional 12/24/36 months of full-product-coverage
- **Extended Warranty Coverage** – covers all instrument parts not just the upgraded part
- **Cost Savings** – less expensive than the cost of per-incident repairs and prevents unexpected costs
- **Process Simplification** – reduces the hassle of getting budget/PO approval for each per-incident event
- **More Uptime** – reduces turn-around-time for repair service
- **Discount** – Discounted pricing for multi-year agreements
