

Keysight Trade-In

# Trade in. Trade up. Lower your costs.

Lower your costs, refresh your technology and enhance your competitive edge with the industry's most flexible Trade-In offer.

## Maximize the value of outdated test equipment

- Trade in instruments from Keysight/Agilent or other manufacturers
- Save up to 50% on a new Keysight instrument
- Get over 50% credit with a customized Keysight Trade-In deal

## Trade up to the latest Keysight models

- Get credit towards new, current-generation Keysight instruments
- Enjoy the benefits of a standard 3-year warranty, or upgrade to 5 years
- Leverage your Keysight Trade-In credit to add options, software, and more

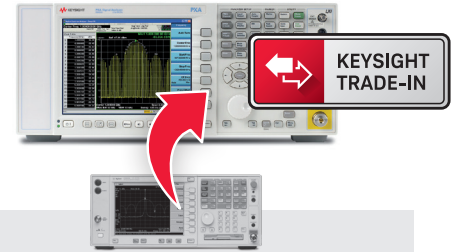

## Sharpen your competitive edge with new technology

- Upgrade to advanced measurement capabilities: speed, accuracy and performance
- Stay productive with enhanced reliability and greater uptime
- Trim down your asset base by eliminating outdated equipment

## Find your Keysight Trade-In deal

- Select the new Keysight model you want to acquire
- Check your inventory for instruments to trade in
