

Keysight Financial Services

Optimize operational flexibility. Improve efficiency.

Keysight Financial Services offers a suite of comprehensive financial solutions, which address the different operational and financial requirements you have. This complements Keysight's deep understanding of your industry's test and measurement needs. Leverage these offerings to optimize return on deployed assets and make the most of your operational and capital budgets.

Keysight Instant Buy

You know what you need, yet can't spend cash up front. How about spreading the price into monthly payments at 0% interest?

Keysight Rent-to-Own

You need a certain instrument right now, but are not ready to buy. What if you can rent now and decide later?

Keysight Lease

You need ongoing access to leading technologies, while managing your budgets. What if there's a better way than buying outright?

"Let's explore how you can optimize operational and budget flexibilities and improve efficiency by taking advantage of our financial programs."
