#### Keysight Assurance Plans

[www.keysight.com/find/AssurancePlans](http://www.keysight.com/find/AssurancePlans)

Up to ten years of protection and no budgetary surprises to ensure your instruments are operating to specification, so you can rely on accurate measurements.

The S-Series oscilloscope (500 MHz to 8 GHz) has unmatched measurement accuracy with the best signal integrity and the most comprehensive measurement software for signal analysis, compliance, and protocol analysis.

And now the Keysight S-Series oscilloscope just got better with a great offer that increases the value of your scope and allows you to tailor the product for FREE. For a limited time, choose ONE of the following three offers for free with the purchase of each new S-Series oscilloscope. **Your Scope. Your Way.**
